

NCR EasyPoint™ 3600

Would you like to be seen as a forward-thinking and accessible financial institution?

YES

A solution for today and for tomorrow

More than capable of doing everything you and your customers could possibly want today; the NCR EasyPoint 3600 is a remarkably cost-effective, highly reliable cash dispenser with future functionality built in.

- **Attract your customers**

The NCR EasyPoint 3600 will let you generate high impact on-screen graphics that won't just make your ATMs stand out from the crowd, but will make your competitors look positively flat by comparison.

- **Increase your opportunities**

The NCR EasyPoint 3600's state-of-the-art Intel® XScale processor opens the door to a whole new world of consumer-enticing, revenue-generating applications developed in Windows® CE.

- **Feature-rich technology**

Equipped with a generous 64MB of on-board memory, transaction graphics, electronic journals and a compact flash card port that enables you to upgrade system software, the NCR EasyPoint 3600's capabilities are far-reaching.

- **Flexible dispenser options**

NCR's Hawk Cash Dispensing Mechanism offers the choice of one to four cassettes and provides everything you need to cater for the increased transaction volumes.
